

WOULDN'T IT BE NICE TO HAVE AN EXPERT
KEEPING TRACK OF THINGS FOR YOU?

Allow our team to oversee your oil and gas asset for you, utilizing our proprietary software called MineralTracker. Our mineral managers are petroleum engineers, and certified mineral managers, with extensive industry experience. Our fees are not based on how much money you make; instead, we offer common sense pricing based on the number of wells in your portfolio.

POWERED BY:

Mineral Managers:

Jeff Kummer

- Petroleum Engineer
- Mineral Manager

"In my experience of managing my family's mineral interests, staying on top of monthly revenue statements, division orders, and letters is of paramount importance"

Joel Brown

- Petroleum Engineer
- Project Management
- Reserves Analysis & Reporting

"Growing up in Western North Dakota, it is very rewarding to apply the knowledge and skills gained in my career as a petroleum engineer to assist mineral owners with unlocking the full potential of their asset."
